## From the Principal's Desk

Dear Parents,

Welcome back to an exciting second semester! I hope that all of you had an enjoyable break and managed to spend quality time with your family.

The second half of the year is always a busy time as we prepare our Pri 6 students for their PSLE by end Sept. Soon after that, all other levels will rev up as they prepare for the End-of-Year examinations as well. In this regard, please note that there will be an important briefing for parents of students from Primary 6 on Friday 12 July at 5.30pm (details on pg 2).

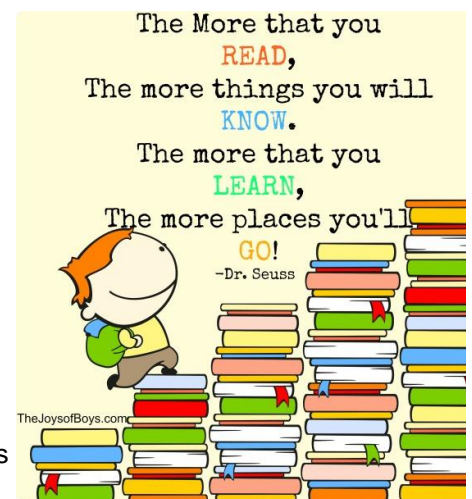

With the PSLE period, parents are advised to take note of the dates when students have to come to school. These details are found on the last page. There will also be a briefing for parents of students from Primary 5 in August and more details will be provided later.

As we increase on our engagement with parents this year, we have organized a number of activities over the next few months. Details of the programmes for Term 3 are found on the last page as well. We are hoping to get the support of all parents for these programmes to help you better support the needs of your children.

Do take note that our annual Thanksgiving event will be held on Wed 13 November 2019 at 3.30pm. Do lock this date in your busy calendars!

Let's continue to work together to develop the talents and abilities of your children.

Blessings,  
Christina Michael (Ms)
